

Lull Telehandler Part

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement ever since nineteen fifty nine. Whether the job entails landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler would really help make the task go easier and faster. These units are complete with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull can provide eighty inches of boom travel for precision placement functionality. There are even many optional Lull accessories for their telehandlers in order to help finish whichever work.
